MEMORANDUM FOR: Director of Central Intelligence STATINTL

FROM : Michael J. Malanick
Director of Logistics

VIA : Deputy Director for Administration [REDACTED] APR 1976

SUBJECT : Logistics Conference - 28, 29, and 30 April 1976

Sir:

STATINTL

1. The Office of Logistics is holding its annual Logistics Conference at [REDACTED] from Wednesday afternoon, 28 April, through Friday, 30 April. Attendees, approximately 133 in number, include a cross section of the Logistics Career Service: 58 GS-10's and below and 75 GS-11's and above. We have invited guest speakers from several offices in the Agency, principally the DD/A, who will be giving presentations on a variety of support projects and programs.

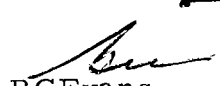

2. We would consider it an honor and the highlight of our conference if you could find time in your busy schedule to address this conference for 30 to 45 minutes at a time most convenient to you during the period of this conference. We would appreciate hearing your comments on the broad range of organizational and management issues facing the Intelligence Community and CIA. The conference attendees would be especially interested in your views on the future role of CIA in covert action programs, particularly the need to maintain a contingency capability to support covert paramilitary operations.

STATINTL

Mr. Bush:

If you elect to comment on the need to maintain a covert paramilitary capability, I will get a few thoughts for your consideration from the proper element of the DDO.
